How in-lab quizzes will proceed!

- You will be given the address of a zip file at the start of your lab session
- Download it
- It will contain
  - Code files (including a test driver)
  - Makefile
  - A pdf file with instructions
- Follow its instructions
  - You will be asked to write some code
  - Suggestion: compile, execute and submit to CourSys frequently
  - You will be told where to submit it on CourSys
How in-lab quizzes will proceed!

- If you submit your work late
  -> it will not be marked!!!
