

```
magic(G, "*" * n)
print("Wow!")
```

```
def magic(aNumber, aSymbol):
    print(aSymbol * aNumber)
    if aNumber > 1:
        magic(aNumber-1, aSymbol)
    print(aSymbol * aNumber)
    return
```

A 6x6 grid of asterisks. Arrows point from the top row to the right, indicating a shift operation. The grid is as follows:

*	*	*	*	*	*
*	*	*	*	*	
*	*	*	*		
*	*	*			
*	*				
*
