Weekly Exercise 2 - Feedback

▶ Marking scheme (criteria):
  ▶ If your program prints ...
    ▶ a clear input request from the user
    ▶ a clear meaning for the output
    ▶ an error message if input is not a number

▶ How our Weekly Exercise 2 was marked:
  ▶ If your program satisfies 2/3 of the above criteria -> 0.5
  ▶ If your program satisfies 3/3 of the above criteria -> 1
  ▶ Otherwise -> 0
