- Email: sbrown1@sfu.ca
 - MUST have CMPT 165 in subject
- Office hours: TBA, until then by appointment only
- TAs: TBA
- Course website:
<http://www.cs.sfu.ca/CC/165/sbrown1/>
 - will be updated by Friday

Marking

- 30% assignments, probably 4
- 20% Midterm
- 50% Final
- You must attain an overall passing grade on the weighted average of the exams
- Late assignments incur a 10% penalty per day
- Assignments which cannot be marked because of password protection, errors in files, or any other problem resulting from student error will also incur a late penalty
- Assignments will have to be put on the CMPT165 server
 - Contact **Ivan Matousek** matousek@cs.sfu.ca for access
ASAP

Academic Dishonesty

- Cheating on an assignment will result in a 0 mark for that assignment
- Cheating on an exam will result in a recommendation of an F for the course

Copyright

- You cannot use another person's material, whether written or images unless that material is 1. copyright free, or 2. you have received permission from the author to use it.
 - You can summarize text, but not copy
- You must reference all information you use from another source, including a link to that source if it is online.
- Failure to do this falls under academic dishonesty
